

Forbo FloorCare method

The Forbo project vinyl collections are easy to clean and maintain, thanks to their smooth and highly durable PUR coated surface.

Cleaning after installation

- Clean with neutral cleaner and mop
- Pick up dirty water with wiper and mop or water vac
- Rinse with clean water and mop
- Pick up water with wiper and mop or water vac
- No initial polymer required

Regular cleaning

- Wipe with dust mop, or vacuum the floor
- Remove spots with a damp mop

Periodic cleaning

- Spray clean with a rotary machine and a red buffing pad
- Use spray, only where necessary

Occasional maintenance

- Scrub with water and neutral cleaner, rotary machine and scrub pad
- Pick up dirty water with wiper and mop or water vac

- Rinse with clean water and mop
- Pick up water with wiper and mop or water vac
