

Siegling - total belting solutions

Movement Systems is a global industry leader for sophisticated conveyor and processing belts, plastic modular belts, top-quality power transmission belts, as well as timing and flat belts made of synthetic materials. These products are known under the brand name Siegling. They are used in a wide range of applications in industry, trade, and the service sector, including conveyor and processing belts in the food industry, treadmill belts in fitness studios, and flat belts in mail distribution centers.

We are in search for an Industrial Sales Representative to help us increase sales and address customer needs within a specific region. The position has a new focus for hunting new FDA accounts in the proposed territory.

Industrial Sales Rep

Territory Sales Representative responsibilities include presenting our products and services to potential clients, identifying ways to promote and sell our products. Technical skills are a requirement, conveyor surveys requiring good mathematical skills are necessary. To be successful in this role, you should have excellent communication abilities and be highly motivated to meet sales goals.

Job Requirement include but not limited to:

- Work experience as an Industrial Sales Representative
- Availability to travel 2-3 nights per week
- Proficient with Microsoft Word, Excel and Powerpoint
- Experience with CRM software
- Resilient with a proven track record in sales
- College degree preferred

Will be responsible for sales territories in parts of Texas and Oklahoma. Candidate should be based out of Dallas/Ft. Worth TX.

Siegling - total belting solutions
